TRACKING YOUR GENETIC ROOTS
presented by
Dr. Joan Mitchell

Brock Forum Auditorium / Dwight Beeson Business Building
Samford University, Birmingham, Alabama
Saturday March 27, 2010
8:30 AM – 2:00 PM

Joan Kirchman Mitchell, PhD

Dr. Mitchell graduated magna cum laude from Radford College (VA) in biology/chemistry. She has graduate degrees in biology/genetics and administration from the University of Alabama. She was a former director of Samford University's IGHR, the program chair for two NGS conferences, a member of the board of directors of FGS chairing the Conference Committee. She is a GSG charter member.

In addition she is a family historian and genealogical lecturer, university continuing educator, administrator, and professional society conference planner as well as a teacher of anatomy and physiology, reproduction, and heredity. She lectures and conducts workshops on family health history, genealogy and genetics.

Her research specialties include census searches, city directories, genetic and familial diseases & medical pedigrees, and newspapers
